eSports Room Rules & Conduct Policy

Welcome to our public eSports Room! We are dedicated to providing a safe and enjoyable gaming environment for all visitors. To ensure a positive experience for everyone, we have established the following conduct policy:

1. Respectful Behavior:

- Treat fellow gamers, staff, and visitors with respect and courtesy at all times. Any form of harassment, discrimination, hate speech, or disruptive behavior will not be tolerated.
- Maintain sportsmanlike conduct during gameplay, whether you win or lose. Let's keep the atmosphere friendly and welcoming.

2. Time Limit:

- To ensure fairness and allow everyone a chance to play, we have established a 2-hour time limit for each gaming session when others are waiting.
- When the room is busy and a queue is forming, please be mindful of your playtime and considerate of those who are waiting. Once your 2-hour limit is up, please yield your station to the next person in line.
- All players are limited to a maximum of 2 gaming sessions per day for a total of 4 hours per day.

3. Queue Etiquette:

- If others are waiting to use the gaming stations, kindly join the queue and wait your turn. Do not attempt to skip the line or monopolize the equipment.

4. Timely Exits:

- As your gaming session approaches the 2-hour mark, start wrapping up your current game or match. Prepare to exit the station promptly to allow the next player to start their session on time.

5. Breaks and Rotation:

- If you plan to continue gaming beyond your 2-hour limit, please exit the station briefly to allow others a turn. You can rejoin the queue if you wish to play again.
- Consider taking short breaks between matches to rest and give others the opportunity to play.

6. Noise Management:

- Maintain an appropriate noise level while playing and waiting in the queue. Excessive noise can disrupt the experience for others in and around the eSports room.

7. Equipment and Belongings:

- Treat the gaming equipment and peripherals with care. Any damage caused by negligence may result in liability for repair or replacement.

- Keep your personal belongings secure. The Frank Brown Recreation Center staff is not responsible for lost or stolen items.

8. No Food or Drinks Allowed:

- For the protection of the equipment and to maintain cleanliness, no food or drinks are allowed in the gaming area. Please enjoy your snacks and beverages outside the designated gaming zones.

9. Check-In and Check-Out:

- All participants must check-in at the front desk before starting their gaming session and check-out when their session ends. This helps us manage the queue and ensure a smooth flow of gameplay.

10. Reporting Concerns:

- If you encounter any issues, such as inappropriate behavior, technical problems, or concerns about the conduct of others, please report them to the staff immediately.

11. Cleanliness:

- Help keep the gaming area clean and organized. Dispose of trash properly and leave the equipment and surroundings in good condition.

12. Compliance with Staff Instructions:

- Follow any additional instructions or requests from the Frank Brown Recreation Center staff. Their guidance helps maintain a smooth and enjoyable experience for everyone.

13. Enjoyment for All:

- The goal of our public eSports Room is to provide a fun and fair environment for all participants. Your cooperation and adherence to this conduct policy contribute to the positive atmosphere we aim to create.

We appreciate your commitment to respectful conduct and fair gaming practices. By adhering to this policy, you contribute to the overall enjoyment of the eSports room for all visitors. Thank you and have a great gaming session!
